Grounds / Landscaping / Gardening News

- TPC mowed the grass and completed the fall clean up on Weds, November 4th.

Maintenance Work Update:

Now that Covid19 cases are behind us, Bob will begin catching up on routine work requests inside of your homes. Please be patient as he's gotten a little behind due to the forced work stoppage that was created by the active cases. Also a reminder that Bob will be taking some vacation time this week. He will be off on:

Wednesday, November 11,
Thursday, November 12,
& Friday, November 13.

A very special "Thank you" goes out to Alex Hauff for volunteering to take the garbage and recycling out when Bob takes some vacation days in November and December. You've been a tremendous asset to the Gramercy Community!
